Greg Hori, MS
My best experience from Willow Glen Middle School would be the opportunity I had to go to CASL (California Assoc. of Student Leaders) Leadership summer camp at Stanford. I learned how to improve fundraisers, dances and school spirit.

Lizzie Braunreuther, MS
I think that Leadership has added to my accomplishments for this year and given me a wider range of experiences that I will remember for the rest of my life.

Moses Javed, HS
The more knowledge you get, the more likely you will succeed. This does not mean you are guaranteed to succeed. 30% of success is knowledge. The other 70% is your own effort.

Billy Hahn, HS
Throughout my high school experience I have learned many new values like teamwork and dedication through involvement in sports.

Jamie Furtado, HS
As a senior this year, I am most proud of getting Eligibility in the Local Context from the University of California system and being captain of the varsity girls water polo team.

Anna Giang, HS
Becoming involved in Leadership has been one of my greatest accomplishments. I have grown both as a person and a leader. My greatest reward has been the opportunity get to know the parents, staff, and community members who support our school."
