

RamStarter Campaign

2021

Want an easy way to support multiple groups and programs at our schools? Help us kick off the school year with a RamStarter donation in any amount! Tax-deductible RamStarter Donations help create a vibrant, well-rounded and inclusive community for all of our Willow Glen Middle and High School students. There are three easy ways to support our schools:

1. Purchase one or more RamStarter packages

Please list all of your students; we welcome per-student donations! School packages support WG Education Foundation, WG Athletic Boosters, WG Performing Arts Boosters, Willow Glen Cares, school activities and leadership funds.

Your **2021 RamStarter donation** helps our Middle and High Schools be the best they can be, and provides our students with skills and experiences they need for a lifetime of achievement. Your support is critical to our success. *Please join us!*

Willow Glen Education Foundation (WillowGlenFoundation.org)

The Foundation strives to enhance learning at both Willow Glen High School and Willow Glen Middle School. We develop resources and fund programs that foster academic achievement, cultural enrichment and community-building for all students and teachers. Emphasis is given to programs that help to maintain a vibrant school community, encourage respectful and engaged students, and equip classrooms and libraries to optimize learning.

Athletic Boosters (WGAB.org)

The Athletic Boosters provide financial and moral support to Willow Glen High School and Middle School athletic programs. We work with WGHS and WGMS Athletic Directors to fill the needs of all athletic programs and facility upgrades. Traditionally, we have provided funding for our athletic trainer, coaches at the middle school, scholarships and athlete recognition. We support individual team fundraising for uniforms and equipment. **Does NOT include tickets to athletic events.**

Performing Arts Boosters (WGPAB.org)

The Performing Arts Boosters provide financial and volunteer support to ensure performing arts continue to thrive and grow at Willow Glen Middle and High Schools. Traditionally, funding has paid for instruments, repairs, sheet music, set design, costumes, classroom technology, festival fees, instruction and much more — for our Theatre, Band, Choir and Dance programs. **Does NOT include tickets to performances.**

Willow Glen Cares (WillowGlenFoundation.org/WGCares)

WG Cares supports WGHS and WGMS students and families facing severe hardships, including extreme poverty, homelessness, foster care, health crises or family loss. By discreetly helping students meet basic needs, we help increase grades, attendance, test scores and self-esteem, while reducing truancy and at-risk behavior.

WGMS/WGHS Activities Funds

Donations support student and family programs, teacher recognition and appreciation, and a variety of campus enrichment activities. Your donations of time and money enhance our students' school experience, build community, and directly support our teachers. *We need parent volunteers to help organize these efforts – email volunteer@WillowGlenFoundation.org to learn more.*

WGMS Student Leadership Fund

Student leaders and staff use this budget for campus activities, various community service projects, and other ventures that promote the interests and welfare of the school, its students, and the community.

WGHS Student Leadership Fund

Student leaders work together with Student Council Representatives and Class Officers to create an environment where students feel safe and are encouraged to make every day count. We support school activities, clubs and other campus programs. **Does NOT include ASB card.**
